Charting Your Dream: Realizing Your Passion

GROWTH FOR GOALS will teach each one of you a practical step by step strategy. This strategy will establish a career path. It will help you to achieve your career goals in your personal, academic and career life. You will develop an effective coaching and mentoring methodology that will help you to achieve your mission and your vision in life.

Program Description:

This program will implement a practical strategy and methodology of coaching and mentoring in your place of business. It will direct you to answer the four coaching questions: What is it that I want (What is my mission)? How am I going to achieve it (What is my vision)? What is my time limit? What does it look like when I have achieved my dream? It will allow you to become fully aware of where you are at in your career path. This program will change the way you think and the way you operate. Coaching and mentoring is the key component of moving an organization and its people into a progressive and responsible future. The main objective of this program is to help you establish a crystal clear idea of what you need to do to discover your dream through coaching and mentoring.

Program Goal / Objective:

The objective of this 6 hour training session is for the attendee to set goals that are reasonable, achievable, and accountable. After completing the program, the attendee will strategize and record a plan of action for personal, academic and career life.

- This program will enable you to apply a coaching and mentoring strategy.
- This program will enable you to discover your mission in life.
- This program will enable you to develop goals.
- This program will enable you to answer the four coaching questions.
- This program will establish an effective development program for you and your place of business.

"I have to admit walking into your seminar yesterday, I had no idea what to expect. However I can honestly say it was probably the best six hours I have invested in myself in the past ten years. Your seminar was practical, informative and interactive. It has caused me to examine my paradigms, methodology and refocus my energy."

Who is Angelo Rea?

Angelo Rea (B.Th; M.T.S.) Communicates life changing principles to people and his life goal is to educate, equip, and mentor people to grow and excel in their place of business or work experience. He believes that coaching and mentoring are effective strategies that will help people develop as individuals and as a business. He received his Bachelor's of Theology at Tyndale College and University in 1990 and received his Funeral Directors and Embalming license from the Province of British Columbia in 1994. In 1996, he graduated from Trinity Western University with a Master of Theological Studies. He has taken many professional development courses throughout the years. His educational experience has greatly helped him to understand human behavior and thought and it also has helped him to practice continuous learning in related fields. Over the years, he has developed a proven leadership methodology that enabled him to coach and mentor individuals. Coaching and mentoring is the life line to any personal, academic and professional successes.

With an extensive background and experience in the area of leadership and development, in the past 18 years Angelo's work experience has been providing support to bereaved families and leadership to his peers. He began his apprenticeship in Abbotsford, British Columbia with Woodlawn Funeral Home in 1992 and as of May 2007, he was appointed as the Area Manager of the Fraser Valley Dignity Memorial Funeral Homes, which he is currently enjoying thoroughly.

He has a small business which is called Growth for Goals that was established in 2009. It is a coaching and mentoring business. Rea has been a public speaker since the age of 17. He is more of a communicator and motivational speaker. Also, he is an adjunct faculty member for the Canadian College of Funeral Service. In the truest sense, Angelo Rea is a life coach that will revolutionize the way people lead and think.
